

KANMANTOO COPPER MINES

MISSION

Our decisions and actions will be guided by our Strategic and Operational Objectives and will reflect our Organisational Values.

STRATEGIC OBJECTIVES

Establish a safe, low cost, long life copper mining and processing asset;

Provide a sustainable profit stream throughout industry cycles;

Support growth through brownfields and greenfields exploration discoveries within Kanmantoo region;

Establish a reputation as a reliable partner of choice in the eyes of both our stakeholders and the communities we operate within.

OPERATING OBJECTIVES

Provide a safe and enjoyable work environment;

Establish industry leading environmental practices and performance;

Maintain a highly productive, skilled and engaged workforce;

Achieve full value of our physical assets through effective planning;

Encourage continuous improvement and innovation across all areas of the business.
